Belk Scout Camp
July 10th – 13th
July 14th – 17th
July 17nd – 20th
July 21st – 24th

Scouters and Parents,

Welcome to Webelos Adventure Camp 2011! Our theme this year is "Egyptian Wonders". All stations and activities will concentrate on completing requirements for the Webelos badge and the coveted Arrow of Light. Webelos I and Webelos II Scouts will each follow a separate track. We hope to provide not only a fun, but rewarding, experience.

Our Webelos Adventure Camp 2011 will be offered over four sessions (July 10 – 13, July 14 – 17, July 17 - 20, and July 21 - 24) in 2011. Check-in will begin on Day 1 at 2:00 PM at the Camp House. All Scouts, Scouters, and parents should be checked in no later than 5:00 PM. Each session will officially close on Day 4 at 11:00 AM with the Closing Ceremony.

Below are the Activity Pins and Belt loops the boys will have the opportunity to earn.

Webelos I Stations include:

- Readyman
- Aquanaut
- Geologist
- Waterfront
- Archery
- BB

Webelos II Stations include:

- Outdoorsman
- Aquanaut
- Naturalist
- Sportsman
- Climbing Wall / BMX Track
- BB / Archery

Additional Station Activities:

- Fishing
- Craftsman (2 Sessions)
- Leave No Trace / Outdoor Code
- World Conservation
- Geocaching

There will be opportunities each session for the boys to show their Scouting Spirit. We are excited about hearing the boys sing and getting into the spirit of the camp. A Spirit Award will be presented for each session.

During each session there will also be chances for the boys to work together as Patrols. These opportunities offer the boys the chance to start their transition to Boy Scouts.

Platform tents are available for use. However, Scouts are encouraged to bring, setup, and sleep in their own tents. Space for personal tents is limited and on a first come, first serve basis. Please keep tents to "4 man" or smaller. Packs will receive their campsite assignments at check-in. We encourage the Scouts to bunk with other Scouts, **not their parents**. This is to boost independence and prepare the boys for their transition to Boy Scouts.

On behalf of the Staff, we are excited about this year's Webelos Adventure Camp and we are looking forward to seeing everyone there.

Health & Safety at Belk Scout Camp

Medical & Medication Information

Qualified medical personnel will be available to handle minor scrapes and cuts. Each unit is responsible for distribution of medications. If any serious emergency arises, the Scout / adult will be taken to the local hospital for treatment. Each Pack will need a locked box to keep all prescription medications with them and secured. Prescription medication should be in its original pharmacy container, properly identified and labeled. Prescription medications should NEVER be in a Scout's possession.

Self-administered medications (asthma inhalers, OTC allergy pills, etc.) are permitted to be administered by the Scouts themselves with the supervision of the pack leaders. Medications that are routinely carried on your person, such as an inhaler or emergency bee sting medication, are allowed to be carried.

Please bring to the attention of the Camp Director any special needs a Scout may have – physically challenged, diabetes, food restrictions, etc.

Transportation

Individual families may provide transportation or carpools may be formed to transport Scouts to camp. Adults responsible for transporting youth to camp need to be aware of the transportation guidelines as stated in the Guide to Safe Scouting (#34416D), available through the Scout Shop. As a precautionary measure, any Scout traveling in a carpool should have a signed parental permission slip containing pertinent medical information should a need arise in transit. The BSA's policy of "two deep leadership" should be maintained in vehicles used in carpooling.

Telephone Service

The telephone number at Belk Scout Camp is (704) 545-0958. Scout access to the camp telephone is limited to emergency use only. The use of cellular or digital telephones by adults attending camp to contact emergency services may result in delayed emergency service to a camper. Please respect the instructors during Activity Stations and refrain from using cellular or digital phones during instructions sessions.

The use of cellular or digital telephone by youth campers is strongly discouraged. Youth attending camp with a cellular or digital phone must inform his leader. Leaders are responsible for all cellular or digital phones and their use. The camp is not responsible for damaged or lost cellular or digital telephones.

Visitors / Siblings Policy

Visitors are welcome at Belk Scout Camp. All visitors must report to the Camp House to sign in and obtain identification before entering any of the activity areas. Identification should be visible and worn by all persons while on camp property. Guests must sign out at the Camp House upon conclusion of their visit to camp.

There is a "No Sibling" policy. Webelos Adventure Camp program is structured to assist Webelos Scouts in achieving rank advancement. We are not equipped to provide a program for siblings nor will there be supplies available at our activity stations for siblings to participate. We appreciate your understanding and assistance in this matter
